Dear Parents, Students, Staff and Friends of the College.

We have had an exciting start to the term with our Parent/Teacher Information Evening, our Worship Service, School Photos, Choir and Bible Bunch starting, Reading Café and the Year 6.1 Assembly. The Year 3 and 4 students are busy with preparations for their item for our College Sunday Service to be held on Sunday, 22nd March at 9.30am.

Continuing with our goal to become successful learners, confident and creative individuals and active and informed citizens we need to look at what resilience is. Resilience is the ability to steer through serious life challenges and to find ways to bounce back and to thrive. Resilience is not something we have or don’t have. We work on it throughout our lives, and the sooner we start to work on it the better. Parents are the most important people to help build their children’s resilience. Children learn a lot by watching their parents. When parents cope well with everyday stress, they are showing their children how to do the same.

We need both outside and inside supports to build our resilience. Outside supports include caring relationships and positive role models and inside supports include self-control, thinking skills, confidence, responsibility and participation.

Encourage your child to keep on trying, show your child that “mistakes are ok,” build up their strengths and let them “have a go” on their own. Encourage them to take responsibility for their actions.

If a child lives with criticism, he learns to condemn . . .
If a child lives with hostility, he learns to fight . . .
If a child lives with fear, he learns to be apprehensive . . .
If a child lives with pity, he learns to feel sorry for himself . . .
If a child lives with ridicule, he learns to be shy . . .
If a child lives with jealousy, he learns to feel guilt . . .
BUT
If a child lives with tolerance, he learns to be patient . . .
If a child lives with encouragement, he learns to be confident . . .
If a child lives with praise, he learns to be appreciative . . .
If a child lives with acceptance, he learns to love . . .
If children live with approval, they learn to like themselves.
If a child lives with honesty, he learns what truth is . . .
If a child lives with fairness, he learns justice . . .
If children live with recognition, they learn to have a goal.
If children live with sharing, they learn to be generous.
If a child lives with security, he learns to have faith in himself and those about him . . .
If a child lives with friendliness, he learns the world is a nice place in which to live . . .

"Train a child in the way he should go, and when he is old he will not turn from it.” Psalms 22:6
