Principal’s Report

Everyday we hear of challenges people set themselves and amazing human achievements. We only have to look at the news around the world or on you tube to find thousands and thousands of things people do to extend the boundaries of human endeavour.

In many ways these challenges define us as human and the courage, endurance and determination required reveal much about character. We can look in awe at what people have overcome and achieved and be inspired and encouraged to overcome our own struggles in life.

The reasons people take on challenges can be for no clearly defined reason, beyond a need for adventure or to test personal limits. However, it is immensely inspiring and in many ways humbling when someone sets out to overcome an enormous challenge in order to attain something for the benefit of others.

A Year 12 student, Sam Smoothy and his father Martin are setting out next month to swim across the English Channel to raise awareness and funds for children in Uganda. They are reinforcing Christ’s example of humility and serving others.

They go with our best wishes and prayers as they attempt this amazing feat. https://www.youtube.com/embed/3-X5wrOIy_w

I wish everyone a great mid-year break and a successful Second Semester.

Philippians 2 vs 4: Let each of you look not only to your own interests, but also to the interests of others.

Netball Open 1 Semi-finals

The Open 1 Netball team played against Woodvale in the Zone Semi-finals last week Wednesday. Quinns came second in their Zone and played against Woodvale who won their Zone competition. The QBC Open team lost 37-5 to Woodvale. It was a competitive game and the girls showed their fighting spirit and sportsmanship till the very last minute of the game. Congratulations to the girls on getting into the Zone Semi-finals for 2015. We are proud of your efforts this season.

QBC WOULD LIKE TO CONGRATULATE IMOGEN STURKE WHO IS CURRENTLY DANCING IN CANBERRA AT THE AIS FOR THE NATIONAL AUSTRALIAN TITLES
On Wednesday 17 June 27 students competed in the annual WA Orienteering school championship held at Fred Jakoby Forest Park. The terrain was steep and very wooded which made orienteering and line of sight more challenging than previous years. Our juniors struggled through the course but despite the difficulties, had a lot of fun and laughs. Our seniors did a lot better due to their previous experiences and Toby Locke placed 2nd, Brent Quick 3rd and Michael Harben 4th in the 16 and over A division. Raewynn Mann was the best of our ladies in the competition finishing 4th in her division.

In a very close contest for the Secondary School title, Frederick Irwin finished with 31 points thanks to a clean sweep of the top 6 places in the Pairs 16 class, with Quinns Baptist College and Warnbro Community High School equal 2nd on 22 points, closely followed by Scotch College and Duncraig Senior High School. Last year’s winner Mercy College was equal 6th on 19 points.
Senior Boys Soccer report for 2015

The Senior Boys soccer team for 2015 have done very well this term, considering 6 of their skilled and experienced players moved on at the end of 2014. The team has had to start almost from scratch again this year with a combination of talented young players coming up from the year 9 and year 10 cohort.

Our first official match against Mindarie Senior High was therefore quite a challenge. The boys played a tough game and did considerably well considering many of the Mindarie team members were ex-Quinn’s senior players. We were defeated 1 – 6.

The second big clash of the season was against Ocean Reef Senior High, another Soccer Academy School. Our boys did exceptionally well under the circumstances and managed to hold them to a 4 – 4 draw, thanks to some great saves from our young goal keeper, Jonathan Geldardt. The Third opponent we lined up against was Clarkson Senior High. Our boys played exceptionally well, showing great ball skills and team work. We defeated them 12 goals to 1.

Our final match of the term was against Irene McCormack Catholic College. Once again our boys played exceptionally well and maintained possession of the ball with great passing skills. We defeated them by 6 goals to 2.

**Quinns Battery Recycling Program**

Last year we launched the used Battery Recycling Program at Quinns. Please place them in the specially decorated bin (see photo) in the LIBRARY. No car or phone batteries please.

If you put the batteries in the general household rubbish bin it goes to landfill and can contain toxic substances which are harmful if released into the environment. Alternatively they may end up at a composting facility and cause contamination. Through our program all metals and components of the batteries are recycled by Auszinc in New South Wales to make street lights, new batteries and steel frames for houses.

Library is open before and after school so bring them in! Let’s see how many kilograms of batteries we can collect this year.

Thanks to Mindarie Regional Council for setting this up and collecting the batteries.

Every Friday of the school term Quinns Youth is run for High School students. This youth group provided by Quinns Baptist Church aims at providing a safe environment for students to gather out of school hours for games, social interaction and spiritual growth. Throughout the year Quinns Youth runs camps, sleepovers and other events with the goal of building healthy relationships between students whilst helping them grow in faith.

For more information about Quinns Youth or Quinns Baptist Church please contact the School or Ryan Cristonsen directly on: 0417 712 093

Quinns Youth starts at 7.30pm in the Primary School Auditorium every Friday during school term (unless otherwise advertised) and finishes at 9.30pm. The cost is a $2 donation for materials and some activities away from the school may involve extra costs. Quinns Youth is open to all High School students from Years 7 to 12.
