Dear Parents, Students and Staff

Welcome to a new year as part of the Quinns Baptist College community. It is always intriguing how we begin a year by reflecting on the previous year. This reflection however sets the framework for the goals and challenges ahead and in 2015 we look to build on the experiences and achievements of 2014. We are proud of our students’ academic performance in 2014, achieving a 15.8% higher Median ATAR average. We also congratulate our Dux, Emily Whitney on achieving an ATAR score of 96.35, Willem Wenzel 90.25, Dylan Van De Leur 88.60 and Jordan Brown 87.80.

In 2015 we aim to again see our students involved in and representing the College with pride in sports, excursions, tours and events and continuing with their unique display of compassion for others within the community.

I congratulate our Head Girl from 2014, Megan Quick on her Charles Searson Youth Award presented to her by the Wanneroo City Council at the Australia Day Ceremony. Congratulations to Mr and Mrs Bright on the birth of their son and Mr Elliot and Miss Thrussell on their marriage. We welcome Ms S Sharp to the Arts Department and Mr Scallon to the SOSE/English Departments.

Thank you to Mr Bower, Mrs Quick, Mr Kubainski, Mrs Norman, Mr Percival and parents for escorting our swimmers to participate in the Busselton Jetty Open Water Swim last weekend and congratulations to all the swimmers and the staff team on their outstanding performances.

Thank you to Mrs Garcia on organising the Masters and Bunnings Sausage Sizzle fund raisers for the Bali Orphanage and thank you to all the staff, parents and students who assisted.

We look forward to the annual Year 12 School Ball this weekend and wish our 9 swimmers undertaking the Rottnest Channel Swim next weekend all the best. Again we thank the staff, parents and ex-students involved with support roles for their enormous contribution.

Cesare Pavese said ‘we do not remember days, we remember moments’. In 2015 we will all have many memorable moments and these moments will shape our experiences and life. I pray that we will have a greater understanding of the journey and experiences God has planned for us.

Micah 6:8
He has told you, O man; what is good and what does the Lord require of you but to do justice, and to love kindness, and to walk humbly with your God?

We love hearing about students’ achievements. Please email secondarystudents@qbc.wa.edu.au if your child is representing the state or Australia in any event.
For the second year a large contingent of enthusiastic, determined and excited students, enthusiastic, determined and brave staff and enthusiastic and apprehensive parents, made their way south to conquer the open water Busselton Jetty Swim. This was the culmination of months of planning, training and logistics.

Although each person has their own recollections of their part in this great life experience the unique aspect was sharing it with such a diverse group. Although each person had their own personal fears of the open ocean, waves, wind, sharks, cold, stingers and the rest and the swim itself is such a personal individual challenge, there was always the sense of being part of a great team. It didn’t matter whether solo, duo or team swimmers had different coloured caps or were swimming different times and distances everyone was in it together.

The day of the swim was a beautiful warm day with excellent water clarity, low swell and light winds. Our team, after numerous, enthusiastic briefings from Mr Bower were well organised and prepared for the challenge before them. Our support team were easily recognised in their fluoro caps as they followed the progress of various swimmers from the top of the jetty. Every swimmer completed the challenge and there seemed to be a QBC swimmer amongst every wave of finishers. There were congratulations all around and a great sense of achievement.

Thank you to Mr Bower and Mrs Quick for the huge effort to organise the camp and the staff, ex-students and parents who played various roles in coaching, training, supervision and administration.

THE TEAM: twelve solo swimmers, 4 duo swimmers, 12 team swimmers, one staff solo swimmer, (Mr Bower) 4 staff team swimmers, two ex-students solo swimmers and 3 ex-students in a team were supported by one paddler, two other staff, 3 student helpers and a number of parents.

Dear Parents/Guardians

Second-hand Uniform Trading

The College is conscious of the need to provide an efficient process for families to be able to recycle their uniforms and other student resources.

I am delighted to inform you of the College’s new initiative to provide parents with the ability to trade second-hand items via the Sustainable School Shop. Results from other schools have been excellent; families have enjoyed a more comprehensive and convenient method of trading these items.

The Sustainable School Shop is providing complimentary annual subscriptions (lasts 365 days) to those families that register on their website prior to 31st December 2014. We would encourage parents to take full advantage of this opportunity.

The service provides access to second-hand uniforms, textbooks, calculators, stationery, musical equipment, etc all year round.

For the best results:
• List items for sale
• List wanted ads for those items you are looking to buy
• The College's uniform lists are loaded into the system to make listing ads easy
• The system matches the ads of buyers with sellers and notifies the buyer via email
• Buyers contact sellers and arrange where and when to trade.
• The school is not involved in the transaction
• Parents are well supported via Sustainable School Shop's telephone (1300 683 337) and email help lines
• The system is simple and easy to use - If you don't have a computer, internet access or an email address, please call the Sustainable School Shop for assistance

Once the complimentary annual subscription expires families are offered three levels of access:
• Search only - registering/logging-in on the Sustainable School Shop, searching all for sale ads and gaining the sellers’ contact details is free.
• Single items cost $1.00 to be advertised
• Subscription - an annual subscription costs $19.95 and is the most anyone will pay. These are taken by families who have many items to advertise.

All enquiries should be directed to the Sustainable School Shop on: 1300 683 337 or help is also available through ‘Contact Us’ on their website at www.sustainableschoolshop.com.au

We are very excited about this new initiative and we hope you will make the most of this opportunity and gain the benefit from recycling your student’s school items.

Kind Regards

Angela Roberts
