Each part of the year seems to have its own character and influences within College life. In some ways the influence can be partly attributed to the prominent events that take place such as the Fete and Athletics Carnival. However, in reality, it is the character of the people involved that determines the extent of the influence any particular event may have. Whilst carrying tables out for the Fete stalls with Sam Smoothy, it struck me that he and I had been doing this every year for the past five years. As he and other students and staff and parents all give of their time to assist in so many areas and in such a willing and selfless manner it made me realise that the true heart of the College is evident within the servant heart displayed by so many.

This gives me great confidence in facing the negative influences that face us. We agonise over the best ways to impart knowledge about issues such as cyber addiction, mental and physical health, drug and alcohol addiction, ethics, morals and many more. However, the evidence of so much goodness and positivity I see in our students, parents and staff gives me great confidence in our ability to face these issues in society. Furthermore, I have a faith that God will continue to guide us in the directions we set.

I extend a heartfelt thanks to Lisa Potgieter for her tremendous efforts in organising the Fete and I also thank the staff, students and parents who helped in the lead up to and on the day. It was a tremendous team effort. Well done!

Commit to the Lord whatever you do and He will establish your plans.

WELL DONE TO THE
STUDENT ORGANISERS &
SUPPORTERS ON RAISING $2800 OVER
THE COURSE OF BALI WEEK
A very big thank you to all the parents who sponsored activities and volunteered their time to do duty at the stalls. A very big, special thank you to all the mums who worked on Friday, 21st August wrapping cakes. We had fun and a good few laughs. Lastly, I would like to specifically thank all the parents and students who barbequed and helped set up and pack away on Saturday, without your help this fete would not have been possible. The children appreciate your efforts and involvement in the school.

A BIG THANK YOU to our SPONSORS below:

For the first time in our school’s history, QBC entered 5 teams in the state-wide Inter-School Surfing Championships. There were over 40 schools competing to represent Western Australia in the national finals held at North Stradbroke Island in Queensland.

Trials for the teams were held at Claytons Beach with Junior Boys body boarding, Junior Boys surfing, Senior Boys surfing and Senior Boys body boarding spots up for grabs. After a gruelling selection process, 11 boys were chosen to represent QBC in surfing and body boarding.

With a 2 metre swell and favourable winds, the metro beaches delivered the best opportunity for the surfers and body boarders to express their skills. The two different peaks at South Trigg provided the back drop of what would be an epic day of contest surfing. The boys competed strongly in all heats with narrow losses in the Junior and Senior Boys’ body boarding. The Junior Boys body boarding team came closest to advancing to the next round with a narrow loss to Prendiville Catholic College by less than 1 point.

Well done to all the boys who competed and a special thank you to Mrs Williams who helped organise the day and gave advice to the students on how to surf contests. All the students benefitted from the experience and we’re looking forward to putting in an even stronger team next year.
Federal, State and Territory Education Ministers have agreed that NAPLAN will move online from 2017, over a two–three year period.

The Australian Curriculum, Assessment and Reporting Authority (ACARA), are seeking feedback from the community to help guide their planning for this move. They want to hear questions that people may have about the move online.

### Quinns Battery Recycling Program

Last year we launched the used Battery Recycling Program at Quinns. Please place them in the specially decorated bin (see photo) in the LIBRARY. No car or phone batteries please.

If you put the batteries in the general household rubbish bin it goes to landfill and can contain toxic substances which are harmful if released into the environment. Alternatively they may end up at a composting facility and cause contamination. Through our program all metals and components of the batteries are recycled by Auszinc in New South Wales to make street lights, new batteries and steel frames for houses.

Library is open before and after school so bring them in! Let’s see how many kilograms of batteries we can collect this year. Thanks to Mindarie Regional Council for setting this up and collecting the batteries.

Every Friday of the school term Quinns Youth is run for High School students. This youth group provided by Quinns Baptist Church aims at providing a safe environment for students to gather out of school hours for games, social interaction and spiritual growth. Throughout the year Quinns Youth runs camps, sleepovers and other events with the goal of building healthy relationships between students whilst helping them grow in faith.

For more information about Quinns Youth or Quinns Baptist Church please contact the School or Ryan Cristonsen directly on: 0417712093

Quinns Youth starts at 7.30pm in the Primary School Auditorium every Friday during school term (unless otherwise advertised) and finishes at 9.30pm. The cost is a $2 donation for materials and some activities away from the school may involve extra costs. Quinns Youth is open to all High School students from Years 7 to 12.
Mums Raising Teenage Boys

However well-prepared mothers are logically, the emotional response to having a boy is often still, ‘Wow! This is unknown territory.’ It is true that for many mothers, the idea of raising a son carried its own set of worries.

As the primary female role model in a boy’s life, mothers play an important role in the development of their son’s identity including their ability to be nurturing. For teenage boys in particular, this on-going relationship with their mothers has long term implications. This in turn effects how they relate to others, particularly to girls and women.

This workshop will discuss:
- The importance of the mother-son relationship
- What boys need from their mums
- Practical ways to improve and maintain a positive and rewarding relationship which could include:
  - Mothers need to have some knowledge of their sons’ world
  - Attachment and boundaries and the consequences
  - Importance of negotiation and its necessary skills
  - Allowing decision making
  - Risk taking and sexuality mutual respect
  - Steps taken to hand over the control to teenagers as they demonstrate responsibility and appropriate self-management skills
  - Need for appropriate knowledge of modern technology in order to make reasonable decisions
