Principal’s Report

Dear Parents, Students and Staff

This week I had the privilege of attending the GRIP Leadership Conference with our student leaders. As I watched over 500 student leaders from numerous WA schools it was hard not to compare the schools. Different uniforms, involvement in activities and interaction with each other. I concede that any comparison was by the very nature of the evidence available, rather superficial. However, given these limiting parameters and my obvious bias I confidently ranked our leaders from QBC very highly. My bias was further influenced by witnessing their polite behaviour and respectful demeanour on our journey to the city and at the conference. Added to this they joined in the activities with enthusiasm and demonstrated a high level of maturity. All in all I was proud to be a part of Quinns Baptist College and associated with such fine young people.

At the conference great leaders of the world were mentioned and characteristics that identified them and the reasons for their influence. Without doubt one of the most influential people ever in this world was Jesus Christ. The remarkable thing about His leadership is that he always led by example and wanted only to serve not only those that followed Him but all mankind

Congratulations to the Year 7 Student Leaders who have been selected to join this outstanding leadership team.

We wish our swimming team all the best as they compete at the Inter-School Swimming Carnival next Tuesday.

Matthew 20:28 Just as the Son of Man did not come to be served, but to serve, and to give His life as a ransom for many.

Isaiah 40:31 (NIV)
But those who hope in the Lord will renew their strength.
They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint.

**ABSENTEEES**

Please contact Student Service on 9305 8808 by no later than 9.30am in the event of unexpected absences or sickness that necessitates your child being away from the College for the day or for any length of time.

A written note should accompany your child and be handed to his/her teacher on his/her return. A medical certificate may be required to explain prolonged absences.

We would like to thank parents for starting off 2015 so well with phoning absentee’s in to Student Office and following up with notes.
Students are reminded for their safety to not travel through other schools’ premises on their way to and from school and out of school hours.

An important reminder to students that while you are at school, including after school activities you are under the College’s duty of care. Leaving school grounds without permission and signing out at the Student Services Office is a serious breach of the duty of care.

Change of details

Please notify us if any of the following information, that we currently have on file, has changed:

- Your child’s medical information
- Emergency contact details
- Home address
- Email address
- Telephone/mobile numbers
- Work/emergency contact numbers.

Parents, carers and visitors to the College...

Please note that it is important to report to the Admin Office or Student Office if you need to pick your child up/drop anything off or make contact with them. For security reasons we cannot have visitors walking around the College without visitor badges. Student Services will deliver any forgotten lunches or items to the students. THANK YOU!
The 2015 swimming carnival was held at Craigie Leisure Centre on a beautiful warm summers day.

This year we had the greatest number of participants especially in the butterfly event and all students who participated are to be commended. Due to the unanticipated levels of participation we were forced to limit the backstroke event, so that we could return to school on time. This was disappointing for some students who are talented backstroke swimmers but I would like to reassure them that they still have the opportunity to swim for the school and should direct any queries in this regard to Mr Bower who will explain the challenge process.

Carey won the coveted Spirit Shield and Aylward won the Swimming Championship. The following students were age group champions and runners up.

David Vargus and Zane Balodis set new records on their way to becoming age group champions.

I would like to thank all the moms and dads who helped out on the day, it is much appreciated.

Mr Bowness
It seemed to all be in threes. 3.00am was a shattering early wake up to multiple alarms on the day of the Rotto Swim. Three hours’ of sleep felt totally inadequate for the massive day ahead. In three hours’ we would hit the water, bringing to a culmination three years of Rotto preparations at QBC and three intense months of training for this year’s swim. Three staff would be paddling from mainland Western Australia to the Rottnest Island supporting Sam Smoothy on his first solo swim crossing and 8 other swimmers in QBC teams.

First light cast a strange light of the ever increasing throng at Cottesloe Beach. The stretch of water ahead looked dark and somewhat ominous. A steadily increasing Easterly wind was ruffling the surface and obscuring the dark smudge on the horizon. Rottnest Island looked decidedly more distant than 20km.

With the forced enthusiasm blaring from multiple speakers it took an effort to focus on the task ahead. Sign in, attach the microchip, check goggles, apply lanolin cream for cold and chaffing, check food and water supplies, check the kayak and paddle, focus, keep calm, apply sunscreen. Check the time for the hundredth time. 5.45am was it. When hundreds of hours of preparations and training and thought would all come to one single moment when the siren sounded and the first swim stroke was taken.

My thoughts were interrupted as the first wave of swimmers hit the water and the speakers again blared their unintelligible noise. Before I knew it our wave had arrived and Sam was on his way. We soon made contact and so began a long gruelling 6 hours in ever worsening conditions.

My thoughts turned to the other 8 QBC swimmers and support teams also out on the water and I prayed that they too would have a successful crossing. It was a proud moment to be involved in this unique and challenging experience and a privilege to witness the courage and commitment of our young swimmers.

Words are inadequate to explain the event in its entirety. Even our congratulations to our outstanding young men and women who swam through some of the worst conditions to reach the island seems inadequate. However, we know that they will take this experience with them into their lives and it will strengthen each of them in so many ways.

We also extend our sincerest gratitude to the generous Skippers and boat support crews, without whom this event could not have been undertaken. We thank the skippers in particular, Mr Jimmy Evans and Mr Shaun Dennis for the use of their boats. You have helped young people realise a personal dream and attain a lifetime accomplishment.

QBC Team 1: Lee Dennis, Cassidy Smith, Zane Balodis and Bryn Norman. Skippered by Jimmy & Hannelie Evans, supported by Dudley Smith and Megan Quick, swim coordinator Warren Norman and paddler Mr Tel Williams.

QBC Team 2: Alana Dennis (Ex-Student), Jessica Wasley, Sarah Whitney and Esther Smoothy. Skippered by Shaun and Carol Dennis with the legend Steve Wasley as swim coordinator, and paddler Mr Barry Percival.

Solo Swimmer: Sam Smoothy. Skippered by Scotty and Karalee, supported by Tiana Raphael, and paddler Mr Ian Bower.
The Great Escape was one of the best experiences that we will have in Year 7 and one that we’ll never forget. It was great fun sliding down the waterslides and being in an environment that was thrilling and exciting. Having the opportunity to do that was all thanks to the teachers that put in a load of effort and preparation. It was also fun playing mini golf and having some time to chill out and relax. All up it was an unforgettable day and a big treat for the students in Year 7.

Quinn’s Battery Recycling Program

Last year we launched the used Battery Recycling Program at Quinns. Please place them in the specially decorated bin (see photo) in the LIBRARY. No car or phone batteries please.

If you put the batteries in the general household rubbish bin it goes to landfill and can contain toxic substances which are harmful if released into the environment. Alternatively they may end up at a composting facility and cause contamination. Through our program all metals and components of the batteries are recycled by Auszinc in New South Wales to make street lights, new batteries and steel frames for houses.

Library is open before and after school so bring them in! Let’s see how many kilograms of batteries we can collect this year. Thanks to Mindarie Regional Council for setting this up and collecting the batteries.

Thank you to Mr Percival for decorating our bin so beautifully.
Is it true? Is it kind? Is it necessary? Words reveal your heart! There is a right way!

Mind your words - Why?

- Words of Affirmation communicates love
- Your words can ruin someone’s day
- Your words can save someone’s life
- Don’t gossip, or people won’t trust you
- Your words can ruin friendships

IS IT TRUE?

Understanding Stepfamily Relationships

Stepfamilies and blended families operate in a different way to intact biological families. The dynamics of a stepfamily are more complex and there is a need for special understanding and management from both blended and stepchildren needing healthy family dynamics to happen.

In this workshop you will:
- Use what is available and accessible
- Learn how to grow a strong and healthy relationship
- Learn how to maintain discipline and understand the needs of the children
- Have an opportunity to address particular issues within the group
