As the First Term draws to a close I encourage parents to discuss your child’s Interim Report with them and help them develop strategies to improve on their learning. Please contact the relevant teacher or Head of Department if you wish to discuss your child’s progress.

Congratulations to our swimmers on representing the College so well at the Inter-School Swimming Carnival. Thank you to the staff who have supervised students at all the swimming and other events this term. We wish our staff and students all the best on the Netball Tour to Busselton this weekend and on the Tour to Europe during the holidays.

We end the term with an Easter Service where we reflect on the significance of Christ taking on the sins of the world in order to make a way for people to connect with God.

I wish everyone in our College Community God’s blessing over this Easter period.

On Tuesday 17 March 54 swimmers left QBC bound for HBF Stadium. After a 300m warm up the races began. Many students swam personal best times and all gave maximum effort. We came 4th overall and it signalled the end of a long swimming season. Many thanks to all of the coaches and administrators who volunteered many hours to make ocean training happen through Term 4 and the summer holidays. The 15/2016 season is splash down in Term 4 this year and all swimmers are invited to register interest in the Busselton Jetty Swim.

### Quinn’s Battery Recycling Program

Last year we launched the used Battery Recycling Program at Quinns. Please place them in the specially decorated bin (see photo) in the LIBRARY. No car or phone batteries please.

If you put the batteries in the general household rubbish bin it goes to landfill and can contain toxic substances which are harmful if released into the environment. Alternatively they may end up at a composting facility and cause contamination. Through our program all metals and components of the batteries are recycled by Auszinc in New South Wales to make street lights, new batteries and steel frames for houses.

Library is open before and after school so bring them in! Let’s see how many kilograms of batteries we can collect this year.

Thanks to Mindarie Regional Council for setting this up and collecting the batteries.
