Principal’s Report

Since the start of the term there have been a number of activities across the College. Each activity in itself provides different opportunities and I continually encourage students to get involved and make the best of their time at school. I am also aware that staff give so much of their time and of themselves to provide these opportunities and I am very appreciative of all they do. This includes not only the extra tutoring and sports and events, but also that which is put into every class and lesson.

The production of Hairspray was a significant event in the life of the College and it is hard to believe it has come and gone. It is hard to imagine the school without some aspect of the production influencing us. The hard work, time and commitment it took from so many people to achieve such an outstanding presentation is commendable. Again I would like to thank in particular Mrs Elliott, the Arts Department and all the staff involved.

As exams approach parents are encouraged to support their children in planning study programmes. Work with your child to implement some of the study skill techniques they have learned in class and by attending the Elevate seminars.

Galatians 6:10 So then, while we have the opportunity, let us do good to all people, and especially to those who are of the household of the faith.

Budget Day in Economics Class
"The Amazing Car Rally" is a fun, family orientated fundraiser which combines two popular team competitions: *The Amazing Race*, and a Car Rally (scavenger hunt). The Amazing Car Rally is not for the faint of heart, requiring extreme team cooperation to complete the set challenges. As our school goal this year is UNITY we think this event will be a great way to being your family or team together as you race around the northern suburbs.

Saturday, the 13th of June. The race will kick off at 10am from the school in order to finish by 12pm- at an unknown location. A sausage sizzle will be provided (free of charge) following the race. We invite all teams to hang around for as long as they can and enjoy the afternoon.

All cars need to be in the Mulch Parking lot of the High School by 9:30am for the 10:00am start. Information/rules and challenges will be given at this time.

It costs $20 per car to participate with a minimum of 4 people in each vehicle. This year we are raising money for underprivileged kids in Bali. You need to pay online [http://www.trybooking.com/HUAQ](http://www.trybooking.com/HUAQ). Please print your receipt and present it on the day as proof of payment.

### Quinns Battery Recycling Program

Last year we launched the used Battery Recycling Program at Quinns. Please place them in the specially decorated bin (see photo) in the LIBRARY.

No car or phone batteries please.

If you put the batteries in the general household rubbish bin it goes to landfill and can contain toxic substances which are harmful if released into the environment. Alternatively they may end up at a composting facility and cause contamination. Through our program all metals and components of the batteries are recycled by Auszinc in New South Wales to make street lights, new batteries and steel frames for houses.

Library is open before and after school so bring them in! Let’s see how many kilograms of batteries we can collect this year.

Thanks to Mindarie Regional Council for setting this up and collecting the batteries.

Mums Raising Boys
- up to the age of 12 years

However well-prepared mothers are logically, the emotional response to having a boy is often still, 'Wow! This is unknown territory.' It is true that for many mothers, the idea of raising a son carries its own set of worries.

As the primary female role model in a boy’s life, mothers play an important role in the development of their son’s identity including their ability to be nurturing. This is turn affects how they relate to others, particularly to girls and women.

This workshop will discuss:
- The importance of the mother-son relationship
- What boys need from their mums
- Practical ways to improve and maintain a positive and rewarding relationship
