Dear Parents, Students, Staff and Friends of the College.

We enjoyed the Dance Sport Social and are looking forward to our Tabloid Carnival on Wednesday, 17th June. Our Book Fair, Kings, Queens and Castles – Enter the Kingdom of Books was a great success and thank you to Mrs van de Leur and all her helpers for making this possible. Without the support of the whole school community these events would not be possible.

It is also nice to see dad’s building with their children in the nature playground. Just a reminder to parents that all children need to be actively supervised in the playground after school. The same rules apply after school as in school time. No running, jumping or climbing on the equipment and no running with sticks or using them as a weapon of any kind. Sticks and logs are to remain in the nature playground area. This is a wonderful facility in the making and we would not want to see it out-of-bounds after school. The children are learning so much about team work, problem solving and just having fun with nature in this area.

The Grocery List

Louise Redden, a poorly dressed lady with a look of defeat on her face, walked into a grocery store. She approached the owner of the store in a most humble manner and asked if he would let her charge a few groceries. She softly explained that her husband was very ill and unable to work, they had seven children and they needed food. The grocer, scoffed at her and requested that she leave his store. Visualizing the family needs, she said: “Please, sir! I will bring you the money just as soon as I can”.

Standing beside the counter was a customer who overheard the conversation between the two. The customer walked forward and told the grocer that he would stand good for whatever she needed for her family. The grocer said in a very reluctant voice, "Do you have a grocery list?" Louise replied, "Yes sir" "O.K." he said, "put your grocery list on the scales and whatever your grocery list weighs, I will give you that amount in groceries." Louise, hesitated a moment with a bowed head, then she reached into her purse and took out a piece of paper and scribbled something on it. She then laid the piece of paper on the scale carefully with her head still bowed.

The eyes of the grocer and the customer showed amazement when the scales went down and stayed down. The grocer, staring at the scales, turned slowly to the customer and said begrudgingly, "I can't believe it." The scale did not balance so he continued to put more and more groceries on them until the scales would hold no more. The grocer stood there in utter disgust. Finally, he grabbed the piece of paper from the scales and looked at it with greater amazement.

It was not a grocery list, it was a prayer which said: "Dear Lord, you know my needs and I am leaving this in your hands". The grocer gave her the groceries that he had gathered and stood in stunned silence. Louise thanked him and left the store. The customer handed a fifty-dollar bill to the grocer and said, “It was worth every penny of it.”

When we are in need or feeling disheartened and don’t know what to do, we need to remember to ask God to provide for us and our needs at the time. He is a faithful God and his love is unfailing.

“Trust in the Lord with all your heart and lean not on your own understanding; in all your ways submit to him, and he will make your paths straight.” Proverbs 3:5-6
